What's New?

Bankruptcy Abuse Prevention and Consumer Protection ACT (BAPCPA) 2005

The long, anxiously awaited time has come and the **Bankruptcy Abuse Prevention and Consumer Protection Act (BAPCPA) 2005** became effective October 17, 2005. Many hours and a great deal of work have gone into preparing for this new law and its requirements. We have kept the same basic concepts and principals for the new events to which you are already accustomed. A new Attorney Event List is incorporated in this newsletter; therefore, please discard your August 2004 list or earlier editions.

You will find the new events created for the Bankruptcy Abuse Prevention and Consumer Protection Act (BAPCPA) 2005 have been inserted within the existing categories of the LIVE and TRAIN databases and are easily identifiable as ALL NEW BANKRUPTCY LAW EVENTS ARE CAPITALIZED.

If you have not already done so, or prior to filing a NEW BANKRUPTCY LAW EVENT in the LIVE database, please

familiarize yourself and your staff with the new events in the CM/ECF TRAIN - Document Filing System at the following web address:
<https://ecf-train.ganb.uscourts.gov/cgi-bin/login.pl>

Please note that this URL is the TRAINING database, and you will need to use your TRAIN database login and password which were furnished to you by e-mail when you first began your CM/ECF training. Your LIVE login and password will not work in the TRAIN database. If you do not know your TRAIN login and password, you may contact Dan Newsome in the U.S. Bankruptcy Clerk's Office at 404-215-1099.

Common Docketing Errors

1. When you are contacted to make a correction, please do so in a timely manner. We don't want to have to hold your case.

2. **Privacy Act.** Filers - not the clerk - are responsible for redacting SSNs and other personal data identifiers such as dates of birth, financial account numbers, and names of minor children in documents - including bankruptcy petitions, schedules, statements, proofs of claim, and attachments they file with the . Because pre-existing financial documents which include personal data identifiers may be filed as attachments to court papers, filers are responsible for redacting these documents and other attachments appropriately.

3. When opening a new Adversary Proceeding, please make sure that you create your party names EXACTLY as they appear on the Complaint. If the party has any name extension(s), i.e., successor to, successor in interest, by merger to, a corporation, etc. this information should be placed in the "Party Text" field; not the Last/Business Name field. Alias name(s) should be added by clicking on the "Alias" button and inserting the information, again, exactly as it appears on the Complaint. Also, if an address will be "in care of", be sure to use "c/o" in the address fields, not the percentage sign (%). The Summons should always reflect the exact style of the case. Please refer to the instructions in the **User Guide, Section 7 - Selecting Adding and Creating Parties; and Section 10 - Adversary Proceedings, How to File an Adversary Proceeding**, for additional instructions.

4. CM/ECF is designed to be a "one click" system. DO NOT "double click" anywhere within CM/ECF. This could result in double

filing your submission or double charging your credit card!

5. You must take care of any charges ON THE SAME DAY you file your case or other document(s) requiring a fee.

6. There are ONLY TWO instances when you should choose the event "Payment of Fees", under the "Bankruptcy" category. If you use this event for any other purpose, you will DOUBLE charge yourself.

- a. If you are a debtor's attorney paying the monthly filing fee installment for the debtor, or
- b. If you have been instructed by the Clerk's office that a submission you've made should have had a fee collected.

7. When prompted with this message, "*debtor or creditor name (pty:db) represented by Attorney's name (aty):*", DO NOT check this box if anyone in your firm has made any prior submission in the case. You are being prompted with this message because a different user's login and password are being used to make the current submission. If you check this box, it will add the current user's name to the party in addition to the existing attorney(s).

8. You MUST refer to **Appendix 2, "Key Word Index of Filing Events"** located in the back of the **CM/ECF User's Guide**, to ensure you are choosing the correct "Category" and "Event" when making a submission. Looking up the "key word" in your document may prevent you from having to resubmit your document or pay additional filing fees. (NOTE: The beginning of Appendix 2 is for Bankruptcy events and the Adversary events are in the back portion, pages A2.17 through A2.23). Also, for quick reference you can refer to the "Attorney Event List".

9. When adding creditors by amending

schedules or the matrix, remember to “upload or add” **only** the new creditors through “Creditor Maintenance”.

- a. For information on properly preparing and submitting an amendment or amended (supplemental) matrix, refer to the **CM/ECF User’s Guide, Section 4 - Basic Concepts, page 4.8 “TIP”, and also refer to Section 5 - Getting Documents Ready to File, Page 5.2.**
- b. To upload or add the new creditors, click on the category “Bankruptcy” on the blue banner menu, then click on “Creditor Maintenance”. You may either choose “Enter individual creditors” to type the creditors in manually or “Upload a creditor matrix file” to upload the creditors (amended matrix) saved in the “.txt” format, refer to **Section 8 - How To Open A Bankruptcy Case, Page 8.9 and 8.10**; begin with Step 10 and proceed through Step 12.

10. If you are adding or deleting creditors, amending Schedules D, E, F, or filing an amended matrix you **MUST** choose the appropriate event which reflects “FEE”. (NOTE: Correcting the spelling of a creditor’s name or the creditor’s address through an amendment, does NOT require a fee. The current “Fee Schedule” is available on our homepage at www.ganb.uscourts.gov. Click on “Office of the Clerk”, then click on “Fees”. This “Fee Schedule” lists all documents which have a fee and the amount of the fee.)

11. **VERIFY ATTACHMENTS!** Verify you are attaching the correct .pdf file to your submission. Refer to the **CM/ECF User’s Guide, Section 4 - Basic Concepts, Page**

4.10 “Sure Way to File the Right PDF Document in the Right Case” through Page

4.12. Not taking the brief time required to verify this could result in you having to resubmit your document or paying additional filing fees.

12. LINKING can be a vital part of your submission! Refer to the **CM/ECF User’s Guide, Section 4 - Basic Concepts, Page 4.4 “Linking a Document Being Filed to a Previously Filed Document” through Page 4.7.** There is a quick reference chart on pages 4.6 and 4.7 of this section which will assist you in deciding what should or should not be linked.

13. When you are entering information into your petition preparation software for auto-upload, or when opening cases in CM/ECF without the benefit of auto-upload, be sure to select the correct chapter. If the incorrect chapter is selected, then the fees you are required to pay are also incorrect.

If you discover that you have used an incorrect event, and you are asked to pay a fee that is not due, please notify the Financial Administrator (404-215-1132) of the Clerk’s Office immediately. In some instances, we may be able to remove the fee.

If you have any questions, please contact Irene Wiggins at 404-215-1057 or Dan Newsome at 404-215-1099.

The Clerk’s Office appreciates your attention to these matters.

COMBINING different types of documents can be done providing ALL of the documents are under the same category. "The CM/ECF software has no method to decipher PDF documents to determine what they contain." Refer to the **CM/ECF User's Guide, Section 5 - Getting Documents Ready to File, Page 5.3 "Combining Different types of Papers in One Document" through Page 5.6** to ensure you are familiar with which documents can be combined and which documents cannot be combined. (NOTE: However, at this time, contrary to the statement on Page 5.4, Paragraph 3 and 4 stating that you may not combine a response with a motion, attorneys are now permitted to submit these as one .pdf document in one entry because these events are now under the same category.)

PROPOSED ORDERS

Please check the Court's website, under Chambers, for instructions on submitting proposed orders, as some judges will allow proposed orders to be submitted by e-mail. Some judges still require you to send the "paper original" directly to their respective chambers, even if you have submitted it as an attachment when filing your Motion, Objection, etc.

VIEW YOUR TRANSACTION LOG

If you are ever in doubt, or need to determine if a document or case was received/filed, you can go into the "Utilities" category on the blue banner menu and click "View Your Transaction Log" then enter the date or date range in the prompt and click the "Submit" button. This will produce a Transaction Log which will identify every submission received under the user's login and password during the report period requested. This Transaction Log is updated immediately. Therefore, if your submission does NOT appear on the Transaction Log, it was NOT received by the Court, and you will need to do it again. Please get in the habit of checking your Transaction Log, before arbitrarily resubmitting, to avoid duplicate submissions and/or fees.

Important Notice to All CM/ECF Registered Participants

At the Direction of the Administrative Office of the United States Courts, **effective August 28, 2005** - all CM/ECF users making fee payments by Internet credit card through Pay.gov must use Internet Explorer (IE) 5.5 or higher as their browser. This is the only browser supported by the Treasury's Pay.gov version 3.2 , which is scheduled to be deployed on August 28, 2005. It is important to note that Pay.gov is not part of the Judiciary, and we are required by the Treasury Department to use this service.

Previous versions of the Treasury's Pay.gov worked with Netscape 4.7. However, recent testing of Pay.gov version 3.2 has confirmed that this will no longer be the situation. Therefore, you are encouraged to acquire and use IE 5.5 or higher as soon as possible for all fee payments, if you have not already done so. Acquisition of IE 5.5 or higher is at no cost to the user.

Netscape will continue to work with CM/ECF so long as interaction with Pay.gov for fee payments is not necessary.

We regret any inconvenience this may cause you. If in addition to the Northern District of Georgia you practice in other Courts, you will encounter the same issue. The local Courts do not have any discretion in this matter. If you need assistance or additional information call the Court's Help Desk at (404) 215-1188.
